NEEM 2.0	\$1,050.00

Upon signing this agreement, customer acknowledges the following:

Rebate offer(s) may be changed or discontinued at any time by the McMinnville Water & Light (MW&L). MW&L is released of any liability associated with the selection, installation, or operation of the equipment which was purchased under this program, and in no way is MW&L responsible for the safety or satisfactory performance of this equipment. MW&L will not accept any liability caused by customer's participation in this program. MW&L reserves the right to inspect the manufactured home for compliance.

I understand the above and certify that I am a customer of MW&L, that the new manufactured home is located at the installation address and that this address is within MW&L service territory.

<p>McMinnville Water & Light Attn: Energy Efficiency Rebates 5625 NE Elam Young Parkway #400 Hillsboro, OR 97124 FAX: 1-503-344-6942 rebates@esgroupllc.com</p>
--

Rebate Applications must be submitted within six (6) months of purchase to qualify.
Allow 6 to 8 weeks for rebate processing.

Call 1-888-883-9879 to learn about additional energy efficiency programs.

Participation in this energy efficiency program allows McMinnville Water & Light to use your electrical energy consumption history for energy savings research. Your consumption history may be shared anonymously with Bonneville Power Administration for energy savings verification and research.

Privacy Act Statement:

Basic authority for collecting this information is authorized by 16 U.S.C. §§ 832 et. seq., and 838 et. seq., pursuant to Bonneville Power Administration's Conservation Program system of records established in 46 FR 31700. This information is primarily intended to further, but is incidental to the performance of, BPA's overall Energy Efficiency Program, the objective of which is to acquire energy resources through energy efficiency, to determine what cost-effective conservation and direct application renewable resources measures should be installed or adopted under different circumstances, and to provide incentives for the installation of such measures. Other routine issues of this information include: aggregation into a public database on energy efficiency; furnished to authorized personnel for installation/repair of equipment; aggregated into a database for program publicity; and in some instances information regarding buildings will be made available to subsequent purchasers of the buildings. Your disclosure of the requested information is voluntary; however failure to provide requested information means that it will not be possible for you to participate in this BPA Energy Efficiency program
