When an owner signs our "Landlord Interim Service Agreement", he/she agrees to pay for the service between the time that a tenant asks us to terminate the service and the time a new tenant requests the beginning of service. If the new tenant does not arrange promptly for the service in his/her own name, the owner is billed until the tenant does request service.

This agreement saves the owner the inconvenience of ordering the service in his/her name for cleaning and showing the property. It also saves the owner the **customer processing charge (after the initial transfer)**.

Cancellation of this new "Landlord Interim Service Agreement" must be in writing. The signed and dated cancellation portion of the agreement will be kept on file at our business office.

Please call anytime to check the status of your billing.

Please return your signed and dated copy to cancel.
